Description

Cranchi A46 Luxury Tender – 2022 | Prompt delivery

12 months warranty

Splendido Cranchi A46 Luxury Tender year 2022, a maxi tender with an elegant and contemporary design, characterized by fine finishes, innovative solutions and large spaces dedicated to comfort and conviviality.

The cockpit offers a large open space dominated by the elegant hard top integrated into the windshield, equipped with an electrically opening adjustable blade cover that guarantees shade and ventilation at any time of the day. In the bow there is a large sundeck with a configuration inspired by the Portuguese deck, which can also be used as a comfortable lounge area.

At the stern, the large sundeck overlooks a real terrace overlooking the sea: the servo-electrically operated folding bulwarks significantly expand the living area of the cockpit, creating a platform directly on the water. The movable swim platform facilitates access to the sea and nautical activities.

Under the aft sundeck there is a practical garage for tenders, while the sinkable swim platform makes launching and recovery operations simple and safe.

The interiors, refined and bright, offer versatile and refined environments, with finishes in marble, leather and precious essences. The convertible dinette allows for additional berths in addition to the spacious full-beam master cabin. A large bathroom with separate shower completes the equipment.
