Description

ITAMA 38 is an iconic Italian open boat of about 12 meters, famous for its aggressive and elegant style. It combines the performance of a sports motorboat (with speeds up to 35-40 knots) with high habitability, making it ideal for both day trips and short cruises.

The Itama 38 has essential, clean lines, a decisive and aggressive design, but without going to excess. Progressive deep V hull and a comfortable and well-finished deck. Large bow sundeck with full cushions.

At the stern there is a swim platform for the tender with a swimming ladder and electro-hydraulic gangway. The cockpit consists of an aft sundeck with full cushions, a table with two opposing seats, the helm station and the entrance to the internal area amidships.

Entering the dinette we find the dining area with table and seats that can be converted into a bed for two people, to the left of the entrance the bathroom with shower completely renovated and then the kitchen with induction hob, refrigerator, sink and several shelves for storage.
