HORSE POWER 2 X 80 HP			

Description

XBOAT ref :6357. This very beautiful Lagoon 50 in a 5-cabin + crew cabin configuration has always been meticulously maintained and exclusively used in the Mediterranean within a family setting. Designed by VPLP Design with interiors by Nauta Design, this catamaran offers a remarkable balance between comfort, performance, and range.

AMELI features an exceptionally high level of equipment: two Yanmar 80 HP engines with bow thruster, Tenderlift XL hydraulic platform, Highfield 360 tender with a 20 HP Honda outboard, full air conditioning, Dessalator 150 L/h watermaker, Onan 11 kW generator, Starlink internet, and a large rigid bimini equipped with solar panels.

The living space is exceptional, with three distinct areas: aft cockpit, forward cockpit, and panoramic flybridge, providing comfort and conviviality both at anchor and while sailing. The warm interior finished in Alpi Walnut features a large panoramic saloon, a fully equipped galley (dishwasher, washing machine, multiple refrigerators, microwave), and five comfortable double cabins.

For navigation, the yacht is fully equipped with a 16-inch B&G screen, radar, AIS, autopilot, two VHF radios, and a 2024 Code 0 sail (Incidence) to enhance performance under sail.

With 1,040 liters of fuel, 1,000 liters of fresh water, a watermaker, and a generator, AMELI is perfectly prepared for extended cruising and long periods at anchor with complete autonomy.

A Lagoon 50 ready to sail, ideal for premium family programs, extensive cruising, or high-end charter activities. More details and pictures on xboat.uk
