Description

the new Tuccoli T235 SF is a compact fisherman that enters the market by popular demand.

Category B navigation, 7.2 m long by 2.55 m wide.

Accessories notes:

Comfort without compromise

Being an "Executive" means that, even on 7 and a half meters, you don't have to give up your dignity. We have designed interiors where a 1.85 m man can fit in the toilet room without contortions.

Efficient sportiness

The "Sport" spirit is in Tuccoli's DNA. We have optimized the hull to reach 42 knots with a single engine, guaranteeing fuel consumption that makes cruising a pleasure and not a drain (at cruising speed we are talking about 1.2-1.5 liters per mile).
