FUEL TANK CAPACITY (L) 3000	GUESTS CRUISING 16	CABINS 3	BATHROOMS 1
ENGINE MANUFACTURER MAN	HORSE POWER 2 X 1300 HP		

Description

Sporty, aggressive but at the same time luxurious boat, designed for those looking for the thrill of speed without wanting to give up the comfort typical of large motoryachts.

The profile of the Azzurra 63 is unmistakable. Very low on the water and slender at the bow, it is the very essence of the Mediterranean "open" sports boat.

The outdoor space is the real focus of this boat. It offers a very large aft cockpit dedicated to conviviality and relaxation, dominated by a huge sundeck overlooking the engine room, to which is added an additional large sunbathing area in the bow.

Electrically opening hard-top, which allows you to combine aerodynamic protection during navigation with the pleasure of a boat completely open to the sun.

The layout includes three double cabins: a spacious owner's cabin in the bow with an en-suite bathroom and two guest cabins amidships, also served by dedicated bathrooms.

Below deck is also a comfortable saloon with a well-equipped galley, as well as a separate crew cabin.

Powered by pairs of MTU 1300 engines.

Main accessories: Air conditioning - Stern and bow thruster - GPS - Hard top - Ice maker - Autopilot - Gangway - Cockpit teaki - Cockpit table - Tender - Engine room camera - Electric marine toilet - Satellite TV - Digital Terrestrial - TV - Stereo

A sporty and aggressive yet luxurious boat, designed for those who seek the thrill of speed without sacrificing the comfort typical of large motor yachts.

The profile of the Azzurra 63 is unmistakable. Very low on the water and sleek at the bow, it is the very essence of the Mediterranean sports "open" boat.

The exterior space is the true centerpiece of this vessel. It offers a huge aft cockpit dedicated to socializing and relaxation, dominated by an enormous sunpad overlying the engine room, complemented by an additional vast sunbathing area at the bow.

Electrically opening hard-top, allowing you to combine aerodynamic protection underway with the pleasure of a boat completely open to the sun.

The layout features three double cabins: a spacious master cabin at the bow with a private en-suite bathroom, and two guest cabins amidships, also served by dedicated bathrooms.

Below deck, there is also a comfortable salon with a well-equipped galley, as well as a separate crew cabin.

Powered by twin MTU 1300 engines.

Main accessories: Air conditioning – Bow and stern thruster – GPS – Hard top – Ice maker – Autopilot – Gangway – Teak cockpit – Cockpit table – Tender – Engine room camera – Electric marine toilet – Satellite TV antenna – Terrestrial digital TV – TV – Stereo
