Description

The Benetti Delfino 93, built in 2011 by the prestigious Italian shipyard Benetti Yachts, represents a perfect synthesis of elegance, comfort and craftsmanship. With its 28.5 meters in length, this motoryacht from the famous Delfino 93 line offers generous volumes, top-level finishes and a timeless style, unmistakably Benetti.

The interiors combine modern lines and fine materials, creating a warm and refined atmosphere. Large windows flood the main salon with natural light, where a cozy lounge area joins an elegant formal dining area. The owner's suite, located on the main deck, offers panoramic views and maximum privacy, while the four lower guest cabins (two VIP and two doubles) can accommodate up to 10 people in maximum comfort.

The crew has dedicated accommodations for 5 members, ensuring impeccable service on board.

The exteriors have been designed to fully enjoy the sea: a large aft deck with an outdoor dining area, a flybridge with bar, lounge area and jacuzzi, and a spacious bow dedicated to relaxation and sunbathing. All spaces are designed to offer comfort and conviviality while sailing or at anchor.
