Description

Marieholm 26 – Classic sailing yacht with extensive investments and modernized technology

For sale is a well-maintained Marieholm 26, built in 1977, boat number 6, which has been in one hand since 2017 and has been maintained and modernized with great care.

The yacht combines the timeless lines and excellent sailing characteristics of the Marieholm series with numerous high-quality renovations in recent years.

Particularly noteworthy is the extensive modernization in 2021.

For example, a new Volvo Penta D1-13 diesel engine with folding propeller was installed.

The engine has only about 30 operating hours and thus offers practically new condition.

The sails were also renewed in 2021.

The jib, genoa and mainsail are from Rolly Tasker and have been manufactured in a medium-weight and durable quality.

Additional comfort on board is provided by the *Webasto diesel heater, which was also renewed in 2021, a new sprayhood and a new tarpaulin.

This means that the yacht is well equipped for longer trips and the cooler months.

Equipment:

- * Folding propeller
- * Mainsail, jib and genoa by Rolly Tasker (new 2021)
- * Webasto diesel heater (new 2021)
- * Sprayhood (new 2021)
- * Tarpaulin (new 2021)
- * Toilet
- * Radio
- * Chartplotter
- * Depth sounder
- * tiller pilot
- * Spirit stove
- * Sink
- * Water tank

Care and maintenance

The yacht has been in its current ownership since 2017 and has been continuously maintained during this time.

All maintenance work was carried out professionally.

In winter, the boat was always stored in a warm hall.

The antifouling was renewed annually, which further underlines the very well-maintained overall condition.

This Marieholm 26 is an ideal yacht for sailors looking for a classic, stable design with modern technology.

Due to the extensive investments in engine, sails, heating and hood, the boat has a condition of equipment and maintenance that is rarely found on yachts of this size and year of construction.

Visits possible by appointment.

*we sell this Marieholm 26 on behalf of a customer and are not liable for its condition and equipment.

Navigation equipment:

Tachometer, Engine Measuring Instruments.
