Description

Sailing yacht Helena/ Dream 38 Classic "Lotte"

Classic lines, high-quality craftsmanship and convincing sailing characteristics.

This Dream 38 Classic "Lotte" is an exceptional sailing yacht for lovers of classic yachts with modern aspirations.

The yacht was built according to the design of Van de Stadt's renowned Helena 38 and combines traditional boatbuilding with a powerful and well-thought-out construction.

The hull, which is made of cedar wood and epoxy in sandwich construction, ensures stability, durability and comparatively low maintenance.

Fine teak and mahogany woods characterize the appearance on deck and below deck, giving the yacht a warm and elegant atmosphere.

Below deck, a spacious saloon with plenty of daylight awaits you, as well as two comfortable cabins in the foreship and aft.

The yacht offers enough space for longer trips with family or friends.

Large lockers create additional storage space for equipment and luggage.

The folding bathing platform with swimming ladder completes the comfort on board.

Sailors appreciate the Dream 38 for its balanced behavior on all courses, its good altitude characteristics and its safe handling. A yacht that not only convinces at sea, but also attracts attention in the harbour with its classic appearance.

The yacht has not been sailed since 2021 and has been in storage since then. The sale is made from the owner's estate.

Technical data:

Designer: Van de Stadt, Design No. 493 "Helena 38"
