## Description

---

The 2008 Sessa Marine Key Largo 28 is an open that combines the grit of a sporty hull with the comfort of a small yacht. As soon as you get on board, you can perceive the very high quality of the materials: the walkable solid teak, the generous cushions and spatial ergonomics designed to enjoy the sea without compromise. Its deep-V hull is legendary, capable of cutting the wave with softness, giving lightning-fast glide and good stability even at speed. Deck life is an invitation to relax, thanks to the majestic bow sundeck and a super-equipped aft cockpit with a wet bar, fridge and a table perfect for lunches at anchor. Below deck, the Key Largo 28 amazes with unexpected habitability for a nine-meter open: the cabin offers a dinette that can be converted into a double bed, a second bed amidships and a separate bathroom with toilet and shower. It is the ideal boat for those looking for the adrenaline of day trips but do not want to give up the opportunity to take a splendid mini-cruise at the weekend.
