Description

This 31.22-meter motoryacht built by the Leight Notika shipyard in 2003 and refitted in 2022, is now in extremely well-kept general condition, with an aesthetic and technical level comparable to a recently built unit. The NEW teak and the hull completely repainted in elegant blue tones, gives the boat a modern and well-maintained image, the result of careful and constant management over time.

From a technical point of view, the unit has benefited from significant interventions: the main engines were completely overhauled (W6) in 2024, flanked by generators installed in 2022 and electric fin stabilizers, operating both in navigation and at anchor. In the same year, the air conditioning system was also updated.

The boat offers significant volumes for the category, with a particularly spacious owner's cabin and well-organized storage areas, characteristics that make it suitable for both private and professional use. It is currently commercially registered, demonstrating operational reliability and market appeal. Management is followed directly by the captain, who has supervised maintenance and refit interventions over time, ensuring continuity and overall quality of the unit.

A 31-metre motoryacht characterised by important interior and exterior volumes for the category, with a distribution of space designed to maximise livability and functionality on board. The flybridge is one of the central elements of the boat: a large sundeck, a well-developed relaxation area and the presence of a second Jacuzzi, which is added to the one positioned in the master cabin. The outdoor areas also include well-distributed dining and lounge spaces, designed to be used in different configurations throughout the day.

INTERIOR DESCRIPTION

The internal helm station is located on the middle deck, a solution that allows a functional separation between the operating area and spaces dedicated to life on board. The main salon stands out for its size and volumes, equipped with a bar and with large surfaces the open layout guarantees continuity between the living and dining areas.

The interior layout includes four cabins for a total of eight guests. The owner's cabin is one of the distinctive elements of the unit: very large spaces and configuration with an open bathroom equipped with a Jacuzzi, a solution that emphasizes the concept of openness and volume. The guest cabins are divided into a VIP cabin, a double cabin with a French bed and a twin cabin, offering a versatile configuration suitable for different types of use. All cabins have en-suite bathrooms and dedicated storage spaces.

Particular attention has been paid to the storage spaces, present in significant quantities both in the guest areas and in the service areas, making the boat suitable for prolonged stays on board.

Navigation equipment:

AIS (Raymarine AIS 700 (nuovo 2019)), Rudder angle indicator, Radar Antenna, Electronic engine control, On-Board Computer, Tachometer, Chain

counter, chronometer, Display (Raymarine), GPS (Furuno SC50), Log (Raymarine), Consumption monitor, Autopilot (Raymarine, con ripetizione sul flybridge e secondo controller Raymarine), Chartplotter (1 × Raymarine Axiom XL 16 con sistema Lighthouse 4 integrato con radar 1 × Raymarine Axiom 12 ripetuto sul flybridge 1 × Simrad NSS 12 Evo 2), Plotter with GPS antenna, Control panel, Co-pilot seat, Wind Station (INDICATORE VENTO: Calypso Instruments (Bluetooth)), Engine Measuring Instruments.

Staging and technical:

Fume/Gas Detector, Engine Alarm, Bilge Alarm, Alternator, Water pressure pump, Auto-Trim, Teak Side Decks, Shore power cable, Special Colour, Guard rail, Deck Shower, Twin Steering, Headlights fixed on the stem, Directional Spotlight, Anchor mount, Hydraulic Flaps, Tender Garage, Fire Extinguishing System, Flaps Indicators, Anchor Chain Washdown, Courtesy Lights, Underwater lights, Battery Monitor, Jet-Ski, Fenders, Gangway, Platform, Waste Water Tank Drain Pump, Automatic Bilge Pump, Manual Bilge Pump, Deck Wash Pump, Seawater Pump, Teak deck, Entry door, Side door, Teak Cockpit, Shorepower connector, Water harbor connector system, Voltage Rectifier, Electronic instrumentation repeater, Hydraulic Windlass, swimming ladder, Saddles for tender, Waste Water Purifier System, Stabilizers (CMC with Zero speed & harbour mode), cockpit table, Tender (WILLIAMS SPORTJET 435), guard rails with gates, Horn, Stern Winches, Bow Winches.

Domestic Facilities onboard:

Warm Water, Intrusion Alarm, Hot Air, BBQ/Grill, Warm Water System (ELETTRICO), Safe, Inverter Air Conditioning, Internet Connection, Satellite internet connection, Domotic Controller, Light Dimmer, Watermaker, Waste Water Plant, Fuel Tank Indicator, Water Tank Meter, Waste Water Tank Meter, Engine oil pressure gauge, Engine temperature gauge, Interior wooden floor, 12V Outlets, 220V Outlets, Black Water Tank, Water System, Video camera, Voltmeter, Electric Toilet.

Security equipment:

Barometer, Binoculars, Smoke buoy, Nautical charts, First aid kit, Life Jackets, Safety equipment within 3 miles, Safety equipment within 6 miles, Safety equipment within 12 miles, Safety equipment within 50 miles, Safety equipment beyond 50 miles, E.P.I.R.B. (KANNAD Marine EPIRB 406 satellitare (posizionato sul sundeck)), Emergency Handheld Fires, PFDs, Parachute flares with red light, Signal flares, Radar reflector, Life buoy, Lifebuoy With Safety Rope and Light Buoy, Chart tools, Windshield Wiper.

Entertainment:

Speakers, Satellite TV antenna, Satellite Decoder, DTV, Home Theater, TV Lift Mechanism, Radio AM/FM, Satellite Receiver, Hi-Fi, VHS.

Kitchen and appliances:

Dryer, Galley, Burner, Deck Refrigerator, ICE Maker, Washer dryer (Miele), Dishwasher, Washer (Bosh), Coffee Machine, Ceramic hot plate, Winecooler.

Upholstery:

Cushions, Stern Cushions, Bow Cushions, Fly Bridge Cushions, Cockpit Cushions, Flybridge Cover, Instrument Cover, Seat Cover, Sunshade, Mosquito nets.
