Description

There is a precise moment, when you get on board this Azimut 53 Fly, when you realize that the concept of the "50-foot boat" has been completely rewritten. Alberto Mancini's lines are not only beautiful to look at; They are designed to make the boundaries between the interior and the sea disappear. The immense windows and the asymmetrical cockpit create a natural flow that makes you feel immediately at home, but with the horizon always in your eyes.

This unit is a jewel of rare care, used exclusively for private use. It is a boat that has experienced the sea with extreme elegance, dedicated mainly to short daily outings and maintained with constant attention that has preserved its integrity in every detail. Here, everything, from the materials to the finishes, still conveys the feeling of a new boat, lived with respect and passion.

Technology that makes life easier:

If you are looking for stress-free sailing, you will find high-end equipment here. The IPS system with Joystick makes every maneuver intuitive and safe, while the Seakeeper 9 stabilizer guarantees absolute stability, eliminating roll and transforming every stop at anchor into a moment of pure relaxation.

The financial aspect:

In addition to the aesthetic pleasure, there is the concreteness of an intelligent operation: the purchase takes place with a very interesting lease in progress, an opportunity that adds value and flexibility to the transaction.

If you are looking for a 53 Fly that has been really cared for and you want to experience the next season as protagonists, this is the unit you have been waiting for.

TECHNICAL SPECIFICATIONS (Project and Dimensions)

Builder: Azimut Yachts

Exterior Designer: Alberto Mancini

Hull Designer: Azimut R&D Department in collaboration with MICAD

Construction Material: GRP (Fiberglass)

Fairing: Planing

Certifications: CE Category B

Overall length: 16.78 m (55' 1")

Maximum width: 4.95 m (16' 3")

Draught (fully loaded): 1.04 m (3' 5")

Displacement (fully loaded): 28,893 kg (28.9 t)

PROPULSION AND PERFORMANCE

Engines: 2 x Volvo Penta IPS 950 D11 (725 HP each)

Motorcycle hours: approx. 400

Maximum speed: up to 31 knots

Cruising Speed: up to 26 knots

Maintenance: engine and generator service carried out regularly.

ACCOMMODATION AND INTERIORS

Configuration: 3 Guest Cabins + 1 Crew Cabin

Sleeps: 6 + 1 Crew

Bathrooms: 2 master bathrooms (with bidet taps) + 1 crew bathroom

Details: * "Floor-to-ceiling" rooms with large panoramic windows.

Kitchen and living room in fluid communication.

Dimmable lights in the saloon and in all cabins.
