Description

CRANCHI ENDURANCE 41 from 2008, 2nd hand, has always been maintained and followed by professionals. Wintered every year in a shed.

It is sold ready to sail with antifouling and engine overhaul carried out.

The engines have few hours because the first owner used them very little but they run perfectly.

The soundproofing of the engine compartment has been redone.

The teak is in very good condition.

The interior part has been used very little and is therefore in very good condition.

The only part to be reviewed is the exterior gray plastics which have been burnt by the sun.
