Description

SUNSEEKER PREDATOR 62 (2007)

Presented for sale by ALL YACHT, this Sunseeker Predator 62 (19.00m / 62'4") has remained in Mediterranean waters and shows 700 hours on her twin MAN V10-1100 CRM engines (2 x 1100hp, shaft drive). She is presented with a complete maintenance file and full invoice history. Asking €595,000 VAT included.

Performance figures are those that made the model's reputation: 25 knots cruising, around 32 knots top speed, with 3,000 litres of fuel giving a range of approximately 270 nautical miles.

The layout is the classic Predator arrangement. On deck: aft cockpit with sunpads and dining area, foredeck sunbathing area, and hydraulic swim platform for water access and tender stowage. The opening hardtop allows the salon to run fully enclosed or open.

Accommodation comprises six berths in three cabins — full-beam amidships master with ensuite, VIP double forward, and twin guest cabin — served by two bathrooms, with a separate crew cabin accessed from the aft deck.

Dark hull, white superstructure, teak decks.

The yacht is visible in Monaco.
