ENGINE HOURS 642	HORSE POWER 2 X 370 HP		

Description

Airon Marine 4300 TTOP 2010

Powered by Volvo Penta D6 2 x 370 Hp, 642 hours of motion.

The Airon Marine 4300 T-Top is a boat with balanced proportions and a sleek profile, designed to offer pleasant and safe navigation without sacrificing comfort while on board.

The large T-Top strongly characterizes the line and makes the cockpit one of the central elements of the project: a large, protected and convivial space, designed to experience the sea throughout the day.

Sundeck, living area and direct access to the aft platform create an ideal environment for both cruising and days at anchor.

But it is below deck that the 4300 surprises the most. The interiors make very good use of the available volumes and offer a configuration with three cabins and two bathrooms

Navigation equipment:

Electronic engine control, DSC vhf, Plotter with GPS antenna.

Staging and technical:

Engine Alarm, Water pressure pump, Deck Shower, Hard top, Gangway, Platform, Manual Bilge Pump, Teak Cockpit, Shorepower connector, Electric Windlass, swimming ladder, cockpit table.

Domestic Facilities onboard:

Warm Water System, Fuel Tank Indicator, Interior wooden floor, 12V Outlets, 220V Outlets, 2 Electric Toilet.
