Description

PARDO 38 (2023) – Elegance & Premium Performance

General Overview

Discover this stunning 2023 Pardo 38, with 520 engine hours. A true icon of the Walkaround concept by Cantiere del Pardo, this unit seamlessly blends a sleek, timeless design with unmatched deck ergonomics. Meticulously configured with high-end options and powered by an exceptional engine package, this vessel embodies modern luxury—perfect for day trips or extended cruising.

Key Specifications

Year: 2023

Engines: Twin Volvo Penta D6-380 (2 x 380 hp) – Diesel

Engine Hours: 520 h

Interior Layout: 2-cabin version (Forward master cabin + optional aft cabin)

Equipment & Included Options

Performance, Navigation & Electronics

Optimized Propulsion: High-performance, high-torque Volvo D6 engines, ideal for a comfortable cruising speed and excellent seaworthiness.

Volvo Joystick & Bow Thruster: Perfect synergy for effortless, stress-free harbor maneuvering.

Autopilot & Onboard Computer: Integrated Volvo autopilot and dedicated Volvo trip computer.

Multifunction Display: Large 16-inch Volvo screen (MFD-8616) grouping all navigation and engine data.

Safety & Communication: Garmin 315i VHF.

Electric Anchor System: Equipped with a 15 kg Bruce anchor, 50 meters of chain (ø 8), and a video camera feeding directly to the GPS-Plotter screen for seamless anchoring, complete with a chain counter.

Onboard Comfort & Exterior Design

Premium Decking: Synthetic teak-laid deck and bathing platform.

Cockpit Layout: Electric cockpit table adjustable to transform into a spacious aft sunbed.

Exclusive Upholstery: Silvertex exterior upholstery upgrade (distinct from the standard Ice color).

Outdoor Galley / Wetbar: Optimized setup with two refrigerators integrated into the aft bench seat, ideal for entertaining.

Sun Protection: Bimini top with removable carbon fiber aft poles to shade the dining and lounging area.

Extended Fixed Bathing Platform: Maximizes access to the water, complemented by a folding swim ladder underneath with a grab rail.

Interior Comfort & Power Autonomy

2-Cabin Layout: Includes the optional aft cabin, providing extra berths for guests or family.

Reversible Air Conditioning (Hot/Cold): Ensures optimal climate control in the cabins throughout the seasons.

Power Autonomy: 4 kW Kohler generator, 2500W inverter, and an upgraded battery pack (2 x 90 Amp with a 60 Amp charger) to reliably power all equipment at anchor.

? Lighting & Audio Ambiance

High-Performance Audio Pack: Entertainment High Performance Package featuring a Fusion Apollo RA770 head unit, a Fusion 5-channel amplifier, a premium JL-Audio subwoofer, and high-quality speakers split across 3 independent zones (Master cabin, Aft exterior area, and Aft cabin).

Lighting: LED courtesy lights on deck and walkways, complemented by LED spotlights integrated into the T-Top.

Accessories & Covers

Complete protective cover kit (cockpit table cover, console cover, seat and aft sunbed covers).

Stainless steel aft safety gates.

Rub rail / rubber protection strip on the aft platform.

Fenders with covers (8) and mooring lines.

CRM Expert Review:

This Pardo 38 features the highly sought-after twin D6-380 hp diesel configuration, offering the ultimate balance of power, responsiveness, and fuel efficiency compared to gasoline or smaller block alternatives. With its ultra-complete specification (Joystick, Air Conditioning, Generator, 2 Cabines), this premium day-boat is fully turn-key and ready for the season without compromise.
