Description

Beneteau Antares 9 V2 Model 2025: Excellence at Sea Awaits!

Discover the Beneteau Antares 9 V2, the quintessential modern and versatile weekender, designed for those who want to combine comfort, safety and performance on every outing at sea. This new version, enriched with innovations and improvements inherited from the larger models, reinvents the boating experience.

Designed to offer maximum fluidity of movement and ease of maneuvering, the Antares 9 V2 guarantees you a serene and harmonious sailing experience. Its Air Step® hull gently cuts through the waves, ensuring comfortable and safe sailing.

Exclusive Features:

Sophisticated Design: Sleek and dynamic lines, embellished with refined details and high-quality finishes, with furniture and upholstery that create a muffled and relaxing atmosphere.

Optimized spaces: The modular aft cockpit is extremely spacious and can be transformed into a large sundeck or a cozy saloon ideal for conviviality. The helm station, which is bright thanks to the wraparound windows and the side door, offers a panoramic view.

Comfort on board: With two separate cabins, a full galley and a well-equipped bathroom, the Antares 9 V2 is the ideal boat for cruises with family and friends.

Innovation and Technology: Equipped with the latest technologies in terms of outboard engines (up to 2x250 hp) and with options such as bow thruster, solar panels on the roof, heating and air conditioning, every detail is designed for your pleasure. The side door on the helm station facilitates maneuvering and access to the starboard sidedeck.

Long Range: With a remarkable fuel capacity (up to 600 liters) and fresh water (160 liters), the Antares 9 V2 allows you to extend your adventures at sea.

The Beneteau Antares 9 V2 2025 is the perfect invitation to spend more time at sea, enjoying every moment in style and serenity.
