ENGINE MANUFACTURER Volvo Penta D2 – 60CV	ENGINE HOURS 941	HORSE POWER 2 X 60 HP	

Description

Fountaine Pajot Saona 47 in Maestro version, used and maintained in excellent condition, available for visits. The boat is in excellent condition, has been constantly cared for and updated and has benefited from a hull carried out in May 2025. It has solar panels, Fisher Panda generator, air conditioning in all cabins and in the dinette, 220V 50Hz main mains, 2,000 W charger/converter, additional 150 Ah AGM auxiliary battery, 12V low-consumption watermaker with 60 l/h output, 12V internal and external sockets, self-timer bilge pumps and pressurized seawater system. The galley is complete with a new hob with induction burners, multifunction oven, dishwasher with six place settings, 5 kg 220V washer/dryer, additional vertical freezer in addition to the one provided as standard, refrigerator in the cockpit and integrated gas plate in the stern, offering a livability of the highest level. The engine is entrusted to 2 60 HP Volvo Penta D2 engines, equipped with folding three-blade propellers, while the electronic instrumentation includes the Garmin Smart Cruising 2 system complete with autopilot, VHF, AIS, two GPSMap 7410 and two GMI20 multifunction displays, radar complete with support and wiring, double AIS VHF station in the wheelhouse, pre-wired VHF antenna in the masthead, 1,500 W electric winch and additional winch control with chain counter. The sail plan consists of a Full Batten horn mainsail with automatic mainsail hook, Lazy Jack, Lazy Bag, gennaker complete with spinnaker pole and related equipment, double stoppers for the return of second and third hand reefs, electric winch for the genoa sheet and electric winch for the mainsail halyards, ensuring simple and effective handling even with a small crew. The outdoor spaces have been designed to ensure maximum comfort in every season thanks to the winter closure of the aft cockpit, the complete closure of the cockpit with a micro-perforated fabric for summer shading, the fixed bimini of the wheelhouse station with winter closure, the external awnings in Papyrus fabric, the sun canopy, the barbecue at the stern, the deck shower with hot water, the natural teak in the cockpit, the oversized hydraulic davits for the tender with paddle support, the additional mooring cleats, the fenders for the transoms, the complete mooring kit with six fenders, the 25 kg main anchor with chain, the spare anchor and the related mooring lines. The interiors of the Maestro version offer elegant and refined environments, embellished by the dedicated carpet, the Front-End fittings, the handrails on the stairs, the table in the saloon that can be converted into a bed, three electric freshwater toilets, the safe with code, the curtains in the cabins and in the saloon, the internal courtesy lights and the internal cushions in Argilla fabric. On-board entertainment is ensured by the Bluetooth Fusion Audio Pack with four speakers, the TV/HIFI Pack complete with dedicated antenna and Bose audio system, while the two 21 W underwater lights enhance the boat even during navigation and anchorage in the evening hours. The very rich equipment is completed by the rudder block and the complete external cushions in Papyrus fabric, including the cockpit, the lounge deck and the bow saloon.

Navigation equipment:

AIS, Display, DSC vhf.

Staging and technical:

6 Batteries, Deck Shower (acqua calda), Courtesy Lights, Underwater lights, Solar panels (1400w), Platform, cockpit table, Living Room Foldable Table.
