Description

Not a walkaround, not an open, not a day-cruiser or a chase-boat. The Bluegame 42 is all of these together. No more need to compromise between power and maximum comfort on board. A state-of-the-art design for an elegant powerboat that offers unique sensations at sea. The BG 42 features a spacious cockpit, a walk-around protected by high edges for safe offshore operations, and ample visibility when maneuvering, thanks to the central control station and rear-view glass. With intelligent optimization of light and space, the livability of the lower deck is superior to a parilength boat. The master cabin has a king-size double bed, and the forward dining area can be converted to a double bed to accommodate up to six guests. This BG 42 is in like-new condition. A Must See.
