## Description

ALBATOR TOO is a sailboat built by the famous Swan shipyard and designed by architect German Frers. This Swan 60-906 model, in Flush Deck version, measures 19 meters. It is the sixth Swan 60 to be delivered, having been launched in 2012 and refitted in 2021. This Swan60 FD has 2 keels, one in the 3-meter version currently installed, plus a 3.60-meter keel, both with lead bulb.

Winner of the Nord Stream Race in 2016, she has been optimized for cruising while retaining her racing capabilities.

A complete inventory is available upon request.

## Building / facilities description

---

Large cockpit with safe access to the interior, designed for comfort under sail and at anchor. The cockpit seats are 2.5 m long, with backrests on each side. The Swan 60 FD is a very spacious boat. Entering on the port side, a large galley extends into the passageway leading to a double cabin with en-suite bathroom and WC. In the center of the ship is a large saloon-dining room, ideal for relaxing and socializing. To starboard, a chart table is located in the passageway leading to a second double cabin, also equipped with bathroom and WC. At the bow, the master cabin is located at the apex of the ship, with its own bathroom, offering a private and luxurious space.
