Description

CRANCHI M38 HT – 2013

Star Yachting offers you this Cranchi M38 in its Hard Top version, an elegant and versatile motor yacht that combines performance and luxury, making it an attractive option for those looking for a comfortable and enjoyable sailing experience.

The cockpit is really spacious for the size of the boat. On starboard, a comfortable dining area can be transformed into a sun lounge thanks to the lowering table. Opposite the dining area are a grill and a bar with sink, while a daybed is placed under the electrically sliding soft hard top. The dashboard is elegant and the cockpit allows two passengers to sit there. The wide and secure gangways give access to the front sunbathing area.

Inside, five passengers can enjoy the living spaces, particularly thanks to the two double cabins and the convertible saloon berth. A fitted kitchen and a bathroom are located on the port side. Equipment such as air conditioning, generator, TV, enhance the comfort of all your sea trips.

This boat has a Kevlar-based hull giving it very good performance. It offers very good seaworthiness at sea and easy maneuvering thanks to its Volvo Aquamatic Joystick system.

This ship is in very good condition, no work is required, it is sold overhauled, ready to sail.

Must be seen quickly!
