Description

XBOAT ref :709.This OCEANIS 400 sailboat was built by the BENETEAU shipyard.

Designed by the Finot group to design a beautiful hull, this OCEANIS 400 sailboat is renowned for being safe and easy to maneuver with a reduced crew thanks to its furling sails and the maneuvers reported in the cockpit.

Designed for beautiful offshore navigations combining comfort, safety with great sensations under sail.

It has a spacious cockpit with a beautiful aft skirt.

Also equipped with 300 W solar panels for good autonomy at sea and at anchor, on a custom stainless steel gantry.

This sailboat is also equipped with a Bimini and a roof cover, two moorings, the main one of which has a new anchor (2024).

This OCEANIS 400 has only had two owners and you will find a detailed logbook since its first launch.

The standing rigging was completely changed in 2015, and a curative osmosis treatment was carried out the same year with stripping the hull, sandblasting, and epoxy treatment.

In terms of habitability, this OCEANIS is in a 3 cabin version, 2 bathrooms, a nice saloon and an equipped kitchen.

It offers beautiful interior volumes with all the comfort on board.
