More details and visit on request.

The Oceanis 390 sailboat is a habitable cruising monohull, built by the Bénéteau shipyard in France.

This fin keel sailboat, rigged as a Sloop at the head, designed by naval architect Philippe Briand, measures 11.34 m in hull length. Its production started in 1986 and ended in 1992. 552 examples of the boat were produced.

The Océanis 390 is a sailboat designed to make your life on board easier, to make each cruise an unforgettable moment and to help you discover distant shores in complete serenity. More details and pictures on xboat.uk
