40 000 € All Tax Included

Description

XBOAT ref :2543.BAVARIA cruiser 30 type polyester sailboat built in 2006 by the Bavaria Yachtbau shipyard in Germany, according to plans by the architect J&J Design. 3rd owner, purchased in Denmark in 2019. Equipped for long-distance navigation in 2019/20 (autopilot + cruise control, numerous tools and spare parts). Ideal for solo sailing or for beginners: all maneuvers are carried out in the cockpit and the sails are on furlers

This little Bavaria cruiser 30 has everything of a big one and it is surprisingly spacious for a 30-footer: two double cabins, a 6-seater saloon, a steering wheel in a cockpit well sheltered from the sun, even when sailing.

This Bavaria cruiser 30 is very well maintained and in impeccable condition. The interior fittings are well thought out, the kitchen is very practical and everything has its place in a well-finished interior. The varnishes are impeccable. The mattresses are placed on glider bases which provide essential ventilation in a tropical environment. Its meticulous owner parted with it with regret. The boat is ready to leave the Papeete marina for exploring the islands of French Polynesia alone, as a couple or as a small family.

It has just undergone a significant price drop. This is an opportunity to be seized immediately to take advantage of this perfectly equipped sailboat ready to sail. Whether exploring turquoise waters or an ocean adventure, this Bavaria Cruiser 30 is the ideal choice for an unforgettable experience. More details and pictures on xboat.uk
