Description

XBOAT ref :5811.Featuring a deep V hull, the Cap Camarat 9.0 WA offers truly remarkable seakeeping; its 2 x 250 HP engine allows it to sail at more than 40 knots.

In the cabin of this Cap Camarat 9.0 WA, the living room, bathed in light thanks to large hull windows, easily transforms into a large double bed. The interior space offers a kitchen area, a bathroom and toilet with shower, as well as plenty of storage space. Behind the companionway, a second double bed allows 4 people to spend a night on board.

This Cap Camarat 9.0 WA is equipped with 2 Suzuki DF250 APX (V6) engines with electrical controls with barely 70 hours; perfectly maintained, it has just completed its annual service and is ready for the season. More details and pictures on xboat.uk
