Description

XBOAT ref :5842.Magnificent Alezan 495 type 50 foot aluminum unit completed in 2012 designed by Marc Lombard and built by the CNAC Caraibes shipyard. Sailboat that combines great cruising, elegance and performance. Lifting keel giving significant stiffness to the canvas and privileged access to moorings. Large forward cabin configuration with private toilet and shower, 2 aft cabins with toilet and shower to the right of the companionway. Large U-shaped kitchen and bright square. Vast cockpit and large rear deck. Expertise available at the end of 2022. Rigging expertise 2024 + live works. 2024 fairing. Revised sails. Very well equipped sailboat and ready for a great cruise.

The exterior cockpit is entirely covered by a bimini, ideal for protection from the sun and rain. It is very friendly and spacious.

The interior is splendid, the floor is in superb condition. This unit offers an owner's cabin with its private bathroom. The two cabins at the rear also have the capacity to accommodate 2 people. A second bathroom equipped with WC and a shower is located to starboard of the companionway. The kitchen is spacious, equipped with a gas stove, an oven and a refrigerator, well thought out and practical.

Gimme Shelter is a sailboat specially designed by Marc Lombard, a renowned naval architect. This is an Alezan 495 built at the Construction Navale Aluminum Caraibes (CNAC) shipyard in 2009. Fully equipped and armed in 2012 under the direction of its current owner, this aluminum boat is very efficient. One of its many advantages is in particular its lifting keel which makes it possible to reach
