Description

XBOAT ref :5847.BAVARIA 44

We no longer present the BAVARIA 44, a true sea adventurer whose quality of construction and layout has largely proven itself.

This example has four cabins and a solid gantry on which a solar panel with a capacity of 380w has been installed for family and long-distance cruising.

Some cosmetic work is to be expected on this BAVARIA 44, but it sails very regularly and is fully equipped. More details and pictures on xboat.uk
