fim Regina 470

Description

The FIM Regina 470 is a yacht that combines Italian sophistication with technical innovation. Awarded the "BEST REVELATION OF THE YEAR" trophy at the Cannes Yachting Festival 2022, this 15-meter model stands out for its elegant design and high-quality equipment. It offers a luxurious and comfortable boating experience, both in terms of performance and comfort. The FIM Regina 470 in Detail: Design and Layout: Deck: Sporty and elegant design with refined lines. Includes a large bathing area and convenient access to the walkways via a starboard side door. Cockpit Lounge: Equipped with an elegant T-Top, a kitchenette, an ice maker, and a wine cellar. The rear deck is modular, allowing for various relaxation configurations. Bow Life Space: Allows for an electrically separated sunbathing area to create either a pool or an additional dining area under a shading cover. Interior: Headroom: 2.15 meters in the sleeping area for a spacious and pleasant atmosphere. Cabins: Two luxurious cabins with glazed bathrooms (option for a three-cabin configuration available). Bathroom: Stainless steel sink with chrome faucet, glass shower door. Equipment: Dashboard: Dark gray paint with glossy black console panels, 12" multifunction screen with GPS, plotter, and sounder. Electronics: Compass, VHF, digital engine parameter indicators, JL stereo audio system with amplifier and speakers. Cockpit Kitchen: Equipped with sink, induction cooktop, and refrigerator. Outdoor Comfort: Outdoor upholstery, front and rear sunbathing areas, full covers for the helm and cockpit table. Available Options: Autopilot Second 12" screen at the helm Automatic trim tabs Black fiberglass T-Top Rear sunshade with 2 carbon fiber masts 9 KW generator Bow thruster Retractable hydraulic gangway
