Description

The PREDATOR 650 TOURING is the perfect choice for those seeking a rigid inflatable boat that combines exceptional comfort and high-level performance. Designed by ITALBOATS, this model stands out with its ergonomic design and quality features, offering an unparalleled boating experience. The Predator 650 Touring in Detail: Design and Comfort: Deck Layout: Open with a central navigation console, offering a practical and elegant arrangement. Seating and Sunbathing: Ergonomic seats for optimal comfort, even on long trips. The large sunbathing area at the front (2.10 m x 1.36 m) allows for relaxing in the sun, while several integrated storage compartments keep the space organized and functional. Upholstery and Extensions: Designed to maximize comfort, with smart storage solutions for upholstery and extensions. Performance: Engine: Powered by a 175-horsepower Suzuki engine, offering dynamic acceleration and impressive performance. Cruising Speed: Reaches nearly 20 knots, ensuring a smooth and enjoyable ride, even in challenging sea conditions. Safety and Practicality: Stability: Robust design ensuring excellent stability on the water, even in demanding conditions. Technical Storage: Spacious and practical for storing safety equipment and personal belongings, ensuring safe navigation. The PREDATOR 650 TOURING combines top-notch comfort, exceptional performance, and optimal safety, making every sea outing a memorable experience.
