Description

Maverick is a 2022Princess V55 powered by twin Volvo Penta D13-1,000 Hp engines. This is a stunning example of this sought after model, her build quality and finish are excellent and this boat has been fitted with a very high specification.She has a three cabin, galley-up layout with a huge cockpit and sunpad, this boat has an electrically operateddrop-away patio door that opens up the boat;she also has a pop-up TV that rotates for viewing inside or out! There is a well-equipped galley and opposite a large dining table that double folds and drops at the touch of a button to make a coffee table! At the helm a full Garmin electronics package, bow and stern thrusters and also a Joystick steering option!Her large owners cabin features a en-suit head with lots of storage and beautiful dcor, The forward VIP cabin is also a good size and shares the day head, cabin 3 has a two-bunk layout.We have completed a full walk-through tour of Maverick which shows all of her options and features, such as, air conditioning, generator, tender garage with Williams tender launch system, opening roof and drop down platform.This boat is currently laying in Swanwick with viewing highly recommended.
