## Description

### BENETEAU FLYER VIVA 9.20

Elegant and sleek, the Flyer Viva 9.20 is a sporty boat, comfortable and versatile in its design: deep V hull flattened towards the rear for perfect stability even at full speed. Water skiing, cruising, day trips, the Flyer 9.20 combines all the qualities for family holidays.

The exterior offers a dining area with a round table, convertible into a huge sunbathing area. On the port side, the outdoor bar has a sink and a shower.

A second sunbathing area is on the foredeck.

Access to the saloon is via a sliding tinted door: warm atmosphere, pear wood finishes, light and ventilation thanks to the opening panels and hull portholes.

On the port side, a complete galley: 2-burner stove, refrigerator, stainless steel sink, pressurized hot and cold water, and, of course, plenty of storage space.

The circular bench seat at the front of course converts into a double berth, and will comfortably accommodate up to 6 people around the table.

To starboard, the large independent bathroom with sink, shower tray and marine toilet.

Finally, the double aft cabin with a 1.65 m x 1.90 m bed is located under the wheelhouse; equipped with a wardrobe and various storage spaces, it is ventilated by an opening porthole.

This model is in good condition, aesthetic and working. It has maintenance
