Description

FOR EVERY OCCASION If you're looking for versatility, Princess 35m has it in spades. Ideal as an island-hopper, somewhere to host family and friends, a day cruiser or homeaway from home, Princess 35M adapts for every occasion. Her variety of spaces caters to all requirements, from the calm seating area forward which is perfect for quiet moments of relaxation to the spacious sundeck, the obvious spot for socialising and entertaining. Inside, her Zuretti interior is chic and sophisticated, and the neutral tones combined with the natural light pouring in through her large windows lend the yacht a light, airy feel. Built by Princess Yachts in Devon, UK, Princess 35M has swapped the English Riviera for the French Riviera where she is perfectly at home. Consistently maintained with annual shipyard periods, Princess 35M is in great condition, ready to cruise away this summer!

INTERIOR LIVING Calm and inviting, the sophisticated spaces are filled with natural light thanks to large windows throughout. Designed by Zuretti, the interior is characterised by neutral tones. The main salon has a large seating area and formal dining table, the perfect place for hosting friends or family for a celebration, plus, unlike most yachts of this size, there is a fold-down balcony for uninterrupted views and a close connection to the water.

CABIN ARRANGEMENT Princess 35M accommodates 10 guests in five cabins including a full beam master suite, situated on the upper deck complete with ensuite featuring a bathtub and walk-in wardrobe, three doubles and one twin cabin. The twin cabin can convert easily to become a double if needed.

EXTERIOR LIVING The sundeck on Princess 35M is surprisingly spacious, and features a bar, large dining table and a Jacuzzi, while forward there is a huge relaxation area
