Description

XBOAT ref :5548.The Bénéteau Flyer 8.8 Spacedeck is a popular pleasure boat, recognized for its design, performance and versatility.

The Flyer 8.8 Spacedeck has a spacious cockpit and easy movement, even with several people on board. Its “walkaround” design makes it easy to move around the boat.

The spacious deck is ideal for group outings, offering capacity for up to 11 people.

The modularity of the cockpit allows you to personalize the layout according to your needs (lounging, meals, water sports, fishing).

The spacious sundeck at the front is a major asset, very appreciated for relaxation.

It is a versatile boat, as suitable for sea trips as for water sports or fishing. Its equipment is quite complete for the different activities.

The presence of a T-top is a significant advantage.

Thanks to its Airstep 2 hull, the boat offers notable stability and comfort, even in rough seas.

Fans of fast sailing will note good course holding at high speed and appreciable responsiveness even in rough seas.

Although the Beneteau Flyer 8.8 Spacedeck is designed primarily as a day boat, the cabin space is particularly well designed.

The Bénéteau Flyer 8.8 Spacedeck is a multifunctional boat, ideal for the summer season.
