Description

XBOAT ref :5900.STEEL SCHOONER 36 Meters,

Built in Germany in 1909 - 1910, originally for use as a cargo ship, it was transformed by a Dutch shipyard in 1950 following a war capture where two masts were added to its initial schooner configuration. This ship served as a commercial shuttle for transporting passengers in Dutch inland waters. The current owner, passionate and meticulous, is carefully completing the refit.

- Sailmaking
