Description

XBOAT ref :5906.The AMERGLASS 32 AK is a motor launch renowned for its comfort and solidity, built in 1974 by the Dutch shipyard Amerglass. This model is ideal for coastal or river cruises, with a polyester (GRP) hull offering great resistance. 9.14 meters long and 3.10 meters wide, it has an optimal configuration for family or pleasure use.

The design of the AMERGLASS 32 AK is a compromise between performance and habitability. Inside, there are two spacious cabins, offering accommodation for 4 to 6 people, with a classic and functional layout. A cabin located at the rear allows two beds. The saloon can also be converted into a double berth to provide more space for the night and a single berth forward. This boat has a small, well-equipped kitchen with a 2-burner ENO stainless steel gas stove and oven, a refrigerator, and a stainless steel sink with a large work surface, allowing you to cook at sea or at the dock, as well as a bathroom. water with toilet equipped with a 41 liter black water tank (installed in 2021) and sink.

On the engine side, the AMERGLASS 32 AK is equipped with two VOLVO diesel engines of 100hp each, ensuring a comfortable cruising speed of 7 to 10 knots and up to date with VOLVO maintenance protocols. The diesel tank was replaced in 2021 with a volume greater than 295L (+75L), which gives it good autonomy for long cruises. This boat is also appreciated for its reasonable consumption, which makes it an excellent choice for boaters looking for an economical but reliable vessel.

In terms of navigation, the AMERGLASS 32 AK offers great stability at sea thanks to
