

SALE PRE OWNED

lagoon 57

390 000 € + VAT

Description

This catamaran with classic lines has been built to be powerful and robust. The hull is made out of carbon -kevlar. A big refit was done in 2016, this included the refurbishment of both engines, upholstery, renovation of the floor and interior wood and much more. Fully loaded and turn key makes her perfect deal for those who like to cruise comfortable and with style. Contact us for more details.
