sea ray Sea ray 290 sdx

82 000 € + VAT

## Description

Sea Ray SDX 290 is a thoroughly modern bow rider providing fun on the water from the moment you step on it. It provides the perfect balance of comfort, features and performance. The huge aft swim platform and the twin lounge seats mounted right on the transom are just outstanding. This unit has been hardly used. The engines are showing only 150 hours. It is equipped with many beautiful features: upgraded bathroom cabin, fake teak at the transom, 12 fridge and furniture in cockpit etc. It has been hardly used, the engines are only showing 150 hours. Don't miss this special opportunity: this offer represents an excellent value.
