

SALE PRE OWNED

beneteau Oceanis 41.1

249 500 USD + VAT

## Description

This Beneteau 41,1 appears like an almost new unit : most of the equipment on board was purchased during the last 2 years and most of it ordered directly from Beneteau (mast and rigging, sails, stove, etc.) The engine is still original but also shows only few engine hours. The sail drive and propeller are new. This 3 x cabin version just received a professional refit and the condition of this boat is impressive. Contact us for more details.
