Description

INVICTUS CX270, 2020, HULL BEIGE, TEAK DECK, 2 x 200 HP MERCURY VERADO, 54 ENGINE HOURS, BOW THRUSTER, 1 CABIN/S, 1 WC(S), EXTERNAL CUSHIONS, +39 06 65 22 258/9, www.mediaship.it - AD CODE W150456/M

The INVICTUS CX270 shares with her predecessor, the CX280, her elegant, versatile and convivial character. The outboard configuration enhances the performance, without any compromise in terms of line balance and smoothness. The INVICTUS CX270 is a very fast craft (maximum speed 38 knots), excellently equipped with: bow thruster, teak cockpit and swim platform, oversized water tank (70 liters instead of 54) with level indicator, Mercury Vessel View display and removable cockpit table. The boat is equipped with a state-of-the-art "Interceptor" trim tab system which, instead of using traditional flaps/trim tabs, employs electrically activated "blades" which project downwards, parallel to the transom, for an effective diversion of hydrodynamic flow under the hull with reaction times of less than 1.5 seconds. With just 54 engine hours, it is in like-new condition, as it has been used very little by her only one owner, who bought her new in 2020 - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP
