The FERRETTI 60 embodies the typical Ferretti style, with an extremely balanced mix of classic lines that enhance the design, great attention to the quality of the finishes and an elegant and comfortable on-board atmosphere.

Inside, the 3 spacious cabins guarantee maximum privacy, with truly remarkable spaces below deck, while the staggering of the floors in the lounge, on the main deck, allows the separation between the actual dining area and the forward dinette.

The 60 is characterized by an excellent seaworthiness, with a smooth passage on the wave and a precise and immediate response from the wheelhouse.

This 60 is a unique example equipped with a Fishing Boat stern, and is also well equipped with: bow thruster, generator, watermaker, tender garage, swim platform, hydraulic gangway, warping winch, swimming ladder, 1 shower cubicle, double fridge, induction hobs, Hi-Fi system with external speakers, satellite antenna, internal/external GPS.
