Description

PARKER 14, 1929, HULL WHITE, TEAK DECK 2003, 1 x 240 HP PERKINS, DIESEL, BOW THRUSTER, 2 CABIN/S, 2 WC(S), EXTERNAL CUSHIONS, +39 06 65 22 258/9, www.mediaship.it - AD CODE W168317/M

"KATJA" has remained intact to this day thanks to the care of her four owners throughout the decades, two English and two Italians, the last of whom has been the owner of KATJA since the early 1990s. In 1992, during the gathering of classic boats in the Principality of Monaco, Katja obtained a score of 156/210, earning first place in the evaluation of the ASDEC (Associations of Vintage and Classic Hulls). In 2003, "KATJA" underwent a complete refit in the famous Fratelli Mileo Shipyard, specialized in the construction of wooden boats.

The refit included: the replacement of the hull planking with also the reconstruction of the keelson, as well as caulking, plastering and painting; the replacement of the engine and the four-bladed thruster, the installation of the bow thruster, the renovation of the teak deck and the systems (electrical, hydraulic and fuel), the replacement of the rudder with a new hydraulic control. A remote mobile wheelhouse has also been installed, which allows "KATJA" to be conducted from the exterior, directly from the main deck. In addition to the main engine, a second Perkins auxiliary engine was installed, with a folding blade thruster. "KATJA" has sumptuous and welcoming interiors: bow master cabin with double bed and guest cabin with separate single beds. - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP
