Description

An excellent opportunity to purchase a Beneteau 51.1 Oceanis First line like new and extremely well equipped. No costs have been spared to create a "small" luxury yacht. The modern and well thought out interior is light and feels a lot more spacious than other larger vessels. The layout consists of 4 cabins with ensuite bathrooms, airconditioning and luxury mattresses. The large retractable transom provides extra space and functions as a beautiful swimming platform. The foredeck provides save storage for a large dinghy even in rough weather conditions. Sailing on this boat is an absolute joy. She's very fast in low wind conditions and due to the unusual shape of her bow she's exceptional upwind. This together with the Z-spars performance rigging and Elvström performance sails make her outstanding. Since she was new, a full time crew has kept the yacht in mint condition. Maintenances have been done ahead of time and she has been maintained & cleaned to perfection. Contact us for details.
