"PANAMA WINTER" is an 18-meter ketch, with steel hull, wooden deckhouse and deck, built in Belgium, in the Astilleros Meyntjes shipyard, in 1952 and subjected to a rigorous complete restoration in 2012, which included the replacement of the timbers interior, the replacement of the axis and the reconstruction of the electrical system. In 2010 the teak deck was redone - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP
