The BALI 4.5 is an extremely innovative catamaran, with great seaworthiness, and very refined for its market segment, with a classic concept for cruising catamarans based on maximum comfort. The BALI 4.5 was the first cruising catamaran proposed by the shipyard, excellent for discovering and enjoying the Mediterranean. The solutions adopted mean that this catamaran has spaces that are decidedly superior to those of its competitors in the same category.

The BALI 4.5, in the Owner version, is excellently equipped, with: generator, watermaker, 4 solar panels, two removable tables in the cockpit, manual davits for the tender, swim ladder, swim platform, carbon gangway, self-tacking jib track, hot/cold shower in the cockpit, front and rear sundeck, sail locker, LED navigation lights, two shower booths, washer dryer, large American fridge with ice maker, dishwasher, microwave oven, Hi-Fi Fusion system, sprayhood and Bimini- Top. Ready to sail - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP

Staging and technical:

Tender Crane, Ganaway, Platform, swimming ladder, cockpit table, Tender.
