lagoon 52

950 000 USD + VAT

Description

The 52 F is no ordinary catamaran, it offers a tremendous number of surprising details This model is as new . Most of the inventory is still originally packed and the generator and both engines show hardly any engine hours. The 5 cabin version makes her attractive for luxury charter use or exclusive cruising. She is equipped with all features to make living on board and navigation as pleasant as possible. She is available now Contact us for more details and viewing Additional Information
