50 000 € + VAT

Description

A beautiful classic wooden boat that will attract attention in any harbor. The current owner has invested a lot to create a luxurious boat with a classic ambiance. It is equipped with air condition, water maker, dish and washing machine. The selection of navigation equipment on board is amazing. It includes several chart plotters, 2 x autopilot, radar and much more. The electrical supply is very generous : 2 x generators, 2 x wind generators, 10 x solar panels, etc. It is the perfect boat for unforgettable charters or other projects. It needs to be seen to be appreciated. Contact us to schedule your visit.
