Description

The Formula 400SS is well-known for its exhilarating speed and luxurious comfort. The great layout and design provides a large huge cockpit, spacey interior and makes her the perfect boat for fun, speed and cruising. This unit is a must see, due to the excellent care and maintenance she received over the years. Both engines have been totally rebuilt in 2017 and are showing very small Engine hours. The Navigation Instruments have been replaced in 2019. Still with the original gelcoat the hull looks just perfect. This offer represents an excellent value.
