LUCIANA is a wonderful classic Sangermani sloop commissioned in 1981. The triple masted planked hull is designed for comfortable seaworthiness and she gives exciting speeds both under sail and power with her powerful Carterpillar engine. The interior layout, in Burnis hull, and the deck space have been studied to give maximum comfort to six guests and two crew.

LUCIANA specific concept is the favourite spot for her Owner and Guests, whether relaxing in port or cruising under sail. Every inch of deck presents a wonderful opportunity for lounging and sunbathing.

LUCIANA really is a classic Sangermani!
