## Description

The Lagoon 42 is the most success of Lagoon and the demand on today's market is bigger than the availability. This 4x cabin version has a beautiful inventory : teak in cockpit & transom, additional fridge, upgraded engines, electric winch, additional upholstery like sun beds on trampoline and roof etc. It is part of a charter program and can contribute to its financing until the end of season 2024, if this is desired. Otherwise she is free to leave this program in Oct 2022. She is offered turn key and fully loaded.
