Description

The Bertram 450 Convertible is a sportfisherman that combines a deep V hull with the needs of sport fishing. The interior spaces belong to larger sizes. The model has been designed to satisfy the sport fisherman, while offering the maximum comfort of a cruising boat. The lounge - kitchen - dinette layout is spacious and practical.

The second cabin is unique, with twin beds side by side instead of bunk beds. On the practical side, much attention was paid to the organization and layout of the engine room.

The fuel tank was placed amidships to minimize the effect of fuel load on trim.
