custom Hood 55 stoway ketch

335 000 € + VAT

Description

This 55 Ketch is a real eye catcher in each harbor and port. The elegant lines and the sophisticated Teak wood work in each detail are making her outstanding .She has been designed by Ted Hood and has been custom built by Lyman Morse in Maine.She provides a spacious living space in and outside. The deep center cockpit, the furling mainsail and mizzen makes you feel safe even in heavy weather .The layout of 2x comfortable spacious master cabins and the generous teak wood work creating a spacious, warm & welcoming atmosphere .The center board allows the draught to vary from 5.9 ft to 10ft and is making this boat even more exceptional.Excellent maintained with beautiful varnish work makes this special boat a very attractive and extraordinary offer
